

Acton Power Choice (APC) offers three options for participation: GREEN, Standard, and Basic. This Town-vetted electricity progam provides stable pricing for three years, and benefits to consumers and our community.

HOW TO READ YOUR ELECTRICITY BILL

Your Eversource electricity bill shows two kinds of charges: one for delivery, and one for supply. You may already be enrolled in APC for supply. How can you tell if you are, and in which option? See below.

Account Number: 1234 567 8900 Statement Uate: Service Provided To:	Total Amount Due by 08/26/19 \$89.65 Amount Due On 07/26/19 \$58.59 Last Payment Received On 07/09/19 -\$58.59 Balance Forward \$0.00 Total Current Charges \$39.65	If you want to switch to a different APC option, or enroll, call 1.833.392.4654 and have your account number handy.

NOTE: If you receive electricity supply offers via mail or email or someone canvassing at your door, but do not see the **Acton Power Choice** name or the Town seal on the materials, it is NOT for the Town electricity program, Acton Power Choice. It is likely from a private electricity aggregator. The MA Attorney General's office determined that electricity from these aggregators often costs consumers more than regular utility supply, and recommended that they be barred from the marketplace.
